Butterfly

antennas

this is my butterfly. I really like it

because I knew that I would turn out

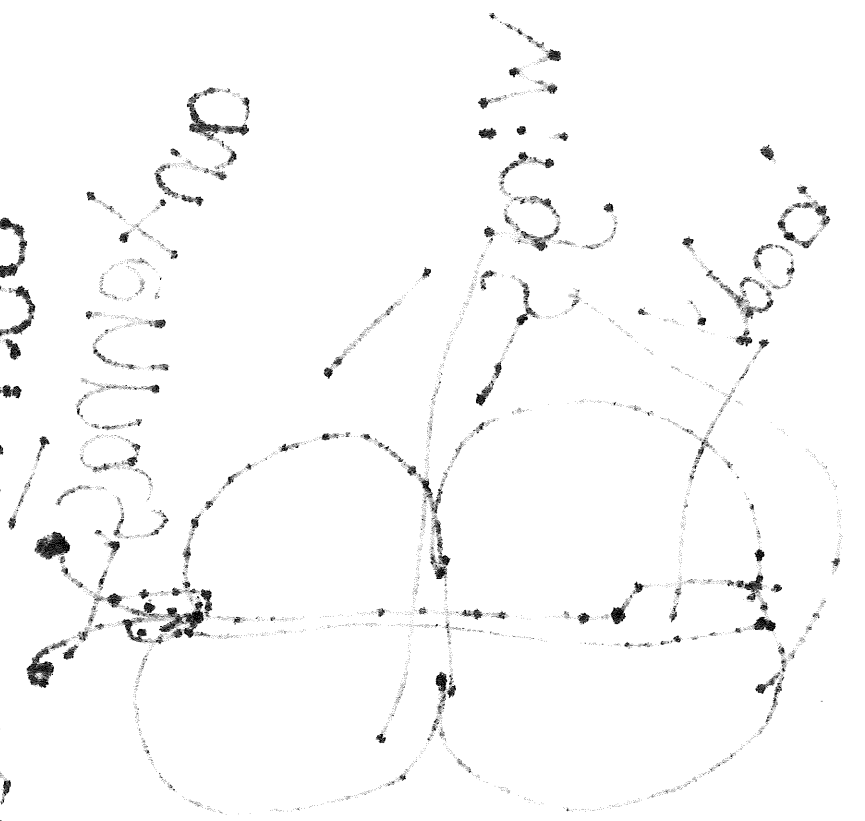

butterflies use there antennas. I use them to smell. I like we use our noses to smell. I like we use our antennae to smell. I like we use our antennae to smell.

butterflies mostly eat leaves especially when there caterpillars.

# caterpillar

one a egg  
hatches a larva  
casts out wich  
is also called  
a caterpillar  
it eats leaves  
and ceaps  
on shedding its  
skin.

# crisalis

a crisalis forms  
around a caterpillar  
body it could  
stay in its  
crisalis for a  
couple days or  
a couple  
weeks.

a egg comes  
from a mother  
but he  
but

# egg

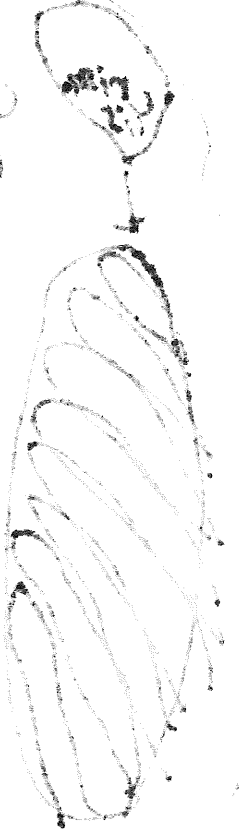

the crisalis  
changes and  
to suddenly  
become a  
gorgeous  
butterfly  
and lives  
on its  
fab life
